RabbitMQ Configuration

Exchange Types: Direct Exchange

Direct Exchange => binding-key = routing-key

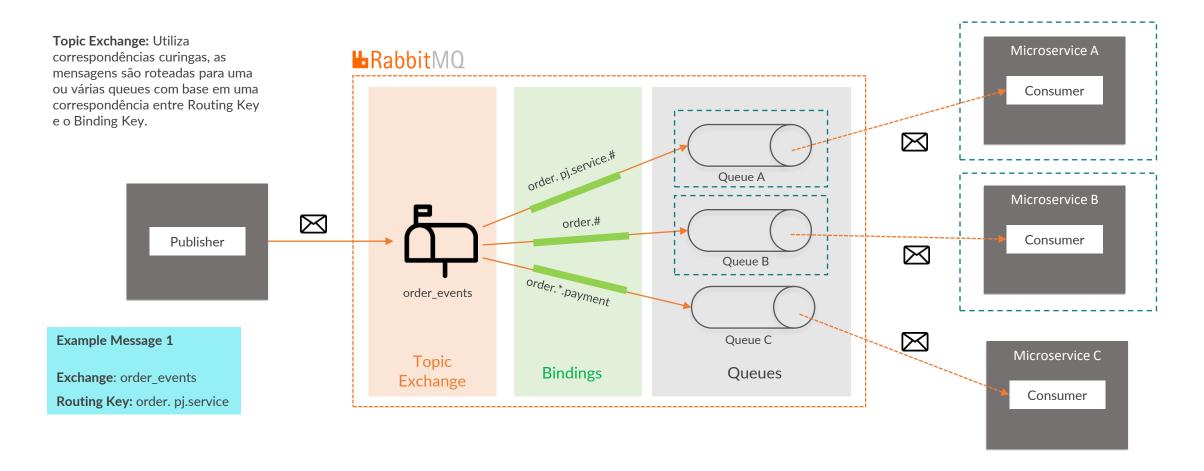

Observação:

Se a Routing-Key não corresponder a nenhum Binding Key, a mensagem é descartada.

Exchange Types: Default Exchange

Exchange Types: Topic Exchange

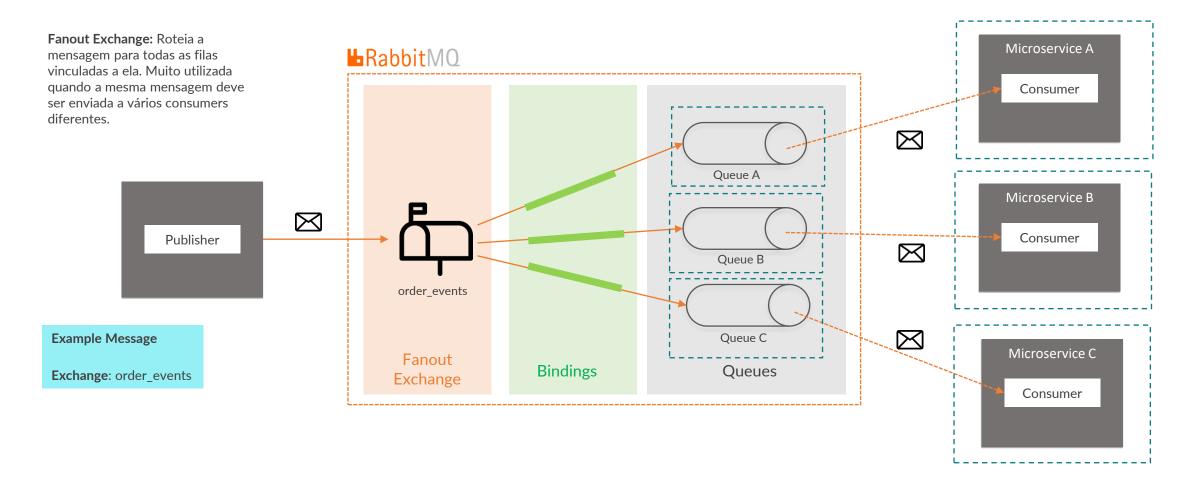

Exchange Types: Topic Exchange

Exchange Types: Topic Exchange

Exchange Types: Fanout Exchange

Observação:

É necessário enviar apenas o Exchange, ex: 'order_events', pois as Routing Keys enviadas são ignoradas.

Exchange Types: Headers Exchange

Exchange Types: Headers Exchange

Exchange Types: Headers Exchange

Exchange Types: Dead Letter Exchange
